PAINTING GUIDE

Our Service

For those who like something a little bit different we offer a bespoke bath painting service on our roll top baths.

Choose your own paint colour to match your scheme from manufacturers such as Farrow & Ball, Little Greene and Mylands Paint.

Whichever paint you choose it must be available in an eggshell finish and fit for purpose.

In addition to these paint ranges, we can also paint your bath in a choice of RAL colours or British Standard colours. We also have a digital scanning service for colour matching. Please contact us to check the suitability on any of the above.

Our Process

- All of our rolltop baths are painted to order in our workshop in Colchester, Essex.
- Our in house specialist will key the bath first and then coat it with a water based primer/sealer. Using a roller the bath is then painted with 3 or more coats of the chosen colour.
- We use an Exterior Eggshell paint which has a 20% silk finish.
- The paint is durable, eco-friendly and has a breathable finish.
- Resistant to flaking, peeling and colour fade for up to 6 years (providing care instructions for the surface are followed).
- Water and fungal resistant.
- Washable and wipeable.
- The bath will go through several processes, being quality checked all the way so we can ensure a perfect finish.
